About us

We believe furniture is more than utility it's an experience of comfort, style and reliability. At Solid, we design and manufacture premium plastic furniture that reflects modern lifestyles and enduring quality. From concept to creation, every piece is crafted with precision, ensuring superior strength, elegant design and everyday usability. Our products are made to withstand time while enhancing the spaces they belong to. With a commitment to excellence and innovation, we continue to redefine plastic furniture for contemporary living.

Our manufacturing process uses premium grade materials and advanced technology to ensure strength, reliability and long lasting performance. Every product is thoughtfully designed to offer both functionality and aesthetic appeal. Driven by quality and customer satisfaction, we aim to provide furniture solutions that are practical, affordable and built to last.

**Experience Quality
You Can Trust
Reliable. Affordable. Stylish.**

**Built to Last.
Designed to
Impress.**

Enhance your space with furniture that complements every environment. From elegant indoor setups to functional outdoor arrangements, our range fits seamlessly everywhere.
